Beware of Digital Frauds Targeting **Ex-Staff** and Others

Fraudsters have been targeting individuals; especially ex-staff members with fake offers related to credit cards and banking services.

Common Scam Tactic:

Scammers ask victims to download APK files (Android apps) claiming to improve banking services or credit card benefits.

**Do NOT download
any such APK file**

Report suspicious activity: **Call 1930 or
visit the National
Cyber Crime Portal.**
